Invitation to the 10th Annual European Prayer Summit in Brussels 23-25 March, 2012

The theme of the 10th Annual European Prayer Summit, March 23rd-25th, 2012, can be found in Isaiah 62:10

"Pass through, pass through the gates!
Prepare the way for the people.
Build up, build up the highway!
Remove the stones.
Raise a banner for the nations."

Ever since our humble beginnings ten years ago, when we organized our first Prayer Summit in Brussels, ECI has been seeking to "raise a banner for the nations." This has been done through prayer, education and advocacy on a governmental level throughout Europe. Although we may have been weak at times and are still few in number, we have sought to be faithful to this heavenly calling.

This calling is now more important than ever. As Israel faces an existential threat from a nuclear Iran, a radicalised Arab world, increasing international lawfare and isolation, it is more important than ever for us to find our place on the walls of Jerusalem in prayer.

In the last few months, since the UN General Assembly in September, we have felt that we are entering a new season when this calling will also take on a global dimension. Please join us as we come together to pray, seek counsel and lift up the name of Jesus over the nations.

Welcome to Brussels!
